DENTAL CERTIFICATE OF COVERAGE

Welcome to Anthem Blue Cross Life and Health Insurance Company ("Anthem"). This Dental Certificate of Coverage (hereinafter "Certificate") has been prepared by Anthem to help explain your dental care benefits. Please refer to this Certificate whenever you require Dental Services. It describes how to access dental care, what Dental Services are covered by Us, and what portion of the dental care costs you will be required to pay.

The coverage described in this Certificate is subject in every respect to the provisions of the Group Dental Contract issued to your Group. The Group Dental Contract and this Certificate and any amendments or riders attached to the same, shall constitute the Group Dental Contract under which Covered Services are provided by Us.

This Certificate should be read in its entirety. Since many of the provisions of this Certificate are interrelated, you should read the entire Certificate to get a full understanding of your coverage.

Many words used in the Certificate have special meanings. These words appear in capitals and are defined for you. Refer to these definitions in the Definitions section for the best understanding of what is being stated. The Certificate also contains exclusions.

This Certificate supersedes and replaces any Certificate previously issued to you under the provisions of the Group Dental Contract.

Read your Certificate Carefully. The Certificate sets forth many of the rights and obligations between you and the Plan. Payment of benefits is subject to the provisions, limitations and exclusions of your Certificate. It is therefore important that you read your Certificate.

Appeal - A formal request by you or your representative for reconsideration of an adverse decision on a grievance or claim.

Certificate - This summary of the terms of your benefits. It is attached to and is a part of the Group Dental Contract and it is subject to the terms of the Group Dental Contract.

Coinsurance - A percentage of the Maximum Allowed Amount for which you are responsible to pay. Your Coinsurance will not be reduced by refunds, rebates, or any other form of negotiated post-payment adjustments.

Coverage Year - The period of time that We pay benefits for Covered Services. The Coverage Year is listed in the Summary of Benefits. If your coverage ends earlier, the Coverage Year ends at the same time.

Coverage Year Maximum - The maximum dollar amount payable for Covered Services for each Member during each Coverage Year. If your benefit plan covers orthodontics, benefits for orthodontic services are not included in the Coverage Year Maximum, but are subject to a separate lifetime maximum. Refer to the **Summary of Benefits** for any Coverage Year Maximum or lifetime maximum amounts.

Covered Services - Services or treatment as described in the Certificate which are performed, prescribed, directed or authorized by a Dentist. To be considered Covered Services, services must be:

- Within the scope of the license of the Provider performing the service;

Eligible Person - A person who meets the Group's requirements and is entitled to apply to be a Subscriber.

Group Dental Contract (or Contract) - The Contract between the Plan and the Group. It includes this Certificate, your application, any supplemental application or change form, and any additional legal terms added by Us to the original Contract. The final interpretation of any specific provision contained in this Certificate is governed by the Group Dental Contract.

Maximum Allowed Amount - The maximum amount of reimbursement Anthem will pay for services provided by a Provider to a Member. You will be required to pay a portion of the Maximum Allowed Amount to the extent you have not met your Deductible or have a Coinsurance. The Maximum Allowed Amount will always be the lesser of the maximum amount of reimbursement established by Anthem or the Provider's billed charges.

Pretreatment Estimate - A request by a Member or Dentist to Anthem in advance of a Dental Service being provided to determine the Member's benefits, estimate the Maximum Allowed Amount, and estimate the amount of the Member's financial liability. A Pretreatment Estimate is not a guaranty of benefits or a guaranty of payment of benefits.

You are considered covered under the Prior Plan if you: (1) were covered under the Prior Plan on the date that plan terminated; (2) properly enrolled for coverage within 31 days of this Certificate's Effective Date; and (3) had coverage terminate solely due to the Prior Plan's termination.

ELIGIBILITY AND ENROLLMENT

HOW COVERAGE BEGINS

ELIGIBLE STATUS

1. **Subscribers.** Permanent full-time employees are eligible to enroll as Subscribers. A full-time employee is one who works at least 30 hours a week in the conduct of the business of the Group.
2. **Family Members (Dependents).** The following are eligible to enroll as family members: (a) Either the Subscriber's spouse or domestic partner; and (b) A child.

Definition of Family Member (Dependent)

1. **Spouse** is the subscriber's spouse as recognized under state or federal law. This includes same sex spouses when legally married in a state that recognizes same-sex marriages. Spouse does not include any person who is: (a) covered as a Subscriber; or (b) in active service in the armed forces.
2. **Domestic partner** is the Subscriber's domestic partner under a legally registered and valid domestic partnership. Domestic partner does not include any person who is: (a) covered as a Subscriber; or (b) in active service in the armed forces.
3. **Child** is the Subscriber's, spouse's or domestic partner's natural child, stepchild, legally adopted child, or a child for whom the subscriber, spouse, or domestic partner has been appointed legal guardian by a court of law, subject to the following:
 - a. The child is under 26 years of age.
 - b. The unmarried child is 26 years of age or older and: (i) was covered under the Prior Plan, was covered as a family member of the Subscriber under another plan or health insurer, or has six or more months of other creditable coverage, (ii) is chiefly dependent on the Subscriber, spouse or domestic partner for support and maintenance, and (iii) is incapable of self-sustaining employment due to a physical or mental condition. A physician must certify in writing that the child is incapable of self-sustaining employment due to a physical or mental condition. We must receive the certification, at no expense to us, within 60-days of the date the subscriber receives our request. We may request proof of continuing dependency and that a physical or mental condition still exists, but not more often than once each year after the initial certification. This exception will last until the child is no longer chiefly dependent on the subscriber, spouse or domestic partner for support and maintenance due to a continuing physical or mental condition. A child is considered chiefly dependent for support and maintenance if he or she qualifies as a dependent for federal income tax purposes.
 - c. A child who is in the process of being adopted is considered a legally adopted child if we receive legal evidence of both: (i) the intent to adopt; and (ii) that the Subscriber, spouse or domestic partner have either: (a) the right to control the health care of the child; or (b) assumed a legal obligation for full or partial financial responsibility for the child in anticipation of the child's adoption.

Legal evidence to control the health care of the child means a written document, including, but not limited to, a health facility minor release report, a medical authorization form, or relinquishment form, signed by the child's birth parent, or other appropriate authority, or in the absence of a written document, other evidence of the Subscriber's, the spouse's or domestic partner's right to control the health care of the child.
 - d. A child for whom the subscriber, spouse or domestic partner is a legal guardian is considered eligible on the date of the court decree (the "eligibility date"). We must receive legal evidence of the decree.

ELIGIBILITY DATE

1. **For Subscribers:** You become eligible for coverage in accordance with rules established by your employer. For specific information about your employer's eligibility rules for coverage, please contact your Human Resources or Benefits Department.
2. **For Family Members:** You become eligible for coverage on the later of: (a) the date the Subscriber becomes eligible for coverage; or, (b) the date you meet the family member definition.

If, after you become covered under this plan, you cease to be eligible due to termination of employment, and you return to an eligible status within six months after the date your employment terminated, you will become eligible to re-enroll for coverage on the first day of the month following the date you return.

ENROLLMENT

To enroll as a Subscriber, or to enroll family members, the subscriber must properly file an application. An application is considered properly filed, only if it is personally signed, dated, and given to the group within 31 days from your eligibility date. We must receive this application from the group within 90 days. If any of these steps are not followed, your coverage may be denied.

EFFECTIVE DATE

Your effective date of coverage is subject to the timely payment of subscription charges on your behalf. The date you become covered is determined as follows:

1. **Timely Enrollment:** If you enroll for coverage before, on, or within 31 days after your eligibility date, then your coverage will begin as follows: (a) for subscribers, on your eligibility date; and (b) for family members, on the later of (i) the date the subscriber's coverage begins, or (ii) the first day of the month after the family member becomes eligible. If you become eligible before the agreement takes effect, coverage begins on the effective date of the agreement, provided the enrollment application is on time and in order.
2. **Late Enrollment.** If you fail to enroll within 31 days after your eligibility date, you must wait until the group's next Open Enrollment Period to enroll.
3. **Disenrollment:** If you voluntarily choose to disenroll from coverage under this plan, you will be eligible to reapply for coverage as set forth in the "Enrollment" provision above, during the group's next Open Enrollment period (see Open Enrollment Period).

For late enrollees and disenrollees: You may enroll earlier than the group's next Open Enrollment Period if you meet any of the conditions listed under Special Enrollment Periods.

Important Note for Newborn and Newly-Adopted Children. If the Subscriber (or spouse or domestic partner, if the spouse or domestic partner is enrolled) is already covered: (1) any child born to the subscriber, spouse or domestic partner will be enrolled from the moment of birth; and (2) any child being adopted by the Subscriber, spouse or domestic partner will be enrolled from the date on which either: (a) the adoptive child's birth parent, or other appropriate legal authority, signs a written document granting the Subscriber, spouse or domestic partner the right to control the health care of the child (in the absence of a written document, other evidence of the Subscriber's, spouse's or domestic partner's right to control the health care of the child may be used); or (b) the Subscriber, spouse or domestic partner assumed a legal obligation for full or partial financial responsibility for the child in anticipation of the child's adoption. The written document referred to above includes, but is not limited to, a health facility minor release report, a medical authorization form, or relinquishment form.

In both cases, coverage will be in effect for 31 days. For the child's enrollment to continue beyond this 31-day period, the Subscriber must submit a membership change form to the group within the 31-day period. We must then receive the form from the group within 90 days.

Special Enrollment Periods

You may enroll without waiting for the group's next open enrollment period if you are otherwise eligible under any one of the circumstances set forth below:

1. You have met all of the following requirements:
 - a. You were covered as an individual or Dependent under either:
 - i. Another employer group health plan or health insurance coverage, including coverage under a COBRA or CalCOBRA continuation; or
 - ii. A state Medicaid plan or under a state child health insurance program (SCHIP), including the Healthy Families Program or the Access for Infants and Mothers (AIM) Program.
 - b. You certified in writing at the time you became eligible for coverage under this Plan that you were declining coverage under this Plan or disenrolling because you were covered under another health plan as stated above and you were given written notice that if you choose to enroll later, you may be required to wait until the Group's next Open Enrollment Period to do so.
 - c. Your coverage under the other health plan wherein you were covered as an individual or Dependent ended as follows:
 - i. If the other health plan was another employer group health plan or health insurance coverage, including coverage under a COBRA or CalCOBRA continuation, coverage ended because you lost eligibility under the other plan, your coverage under a COBRA or CalCOBRA continuation was exhausted, or employer contributions toward coverage under the other plan terminated. You must properly file an application with the group within 31 days after the date your coverage ends or the date employer contributions toward coverage under the other plan terminate.

Loss of eligibility for coverage under an employer group health plan or health insurance includes loss of eligibility due to termination of employment or change in employment status, reduction in the number of hours worked, loss of dependent status under the terms of the plan, termination of the other plan, legal separation, divorce, death of the person through whom you were covered, and any loss of eligibility for coverage after a period of time that is measured by reference to any of the foregoing.
 - ii. If the other health plan was a state Medicaid plan or a state child health insurance program (SCHIP), including the Healthy Families Program or the Access for Infants and Mothers (AIM) Program, coverage ended because you lost eligibility under the program. You must properly file an application with the Group within 60 days after the date your coverage ended.
2. A court has ordered coverage be provided for a spouse, domestic partner or dependent child under your employee health plan and an application is filed within 31 days from the date the court order is issued.
3. We do not have a written statement from the Group stating that prior to declining coverage or disenrolling, you received and signed acknowledgment of a written notice specifying that if you do not enroll for coverage within 31 days after your eligibility date, or if you disenroll, and later file an enrollment application, your coverage may not begin until the first day of the month following the end of the Group's next open enrollment period.
4. You have a change in family status through either marriage or domestic partnership, or the birth, adoption, or placement for adoption of a child:
 - a. If you are enrolling following marriage or domestic partnership, you and your new spouse or domestic partner must enroll within 31 days of the date of marriage or domestic partnership. Your new spouse or domestic partner's children may also enroll at that time. Other children may not enroll at that time unless they qualify under another of these circumstances listed above.

- b. If you are enrolling following the birth, adoption, or placement for adoption of a child, your spouse (if you are already married) or domestic partner, who is eligible but not enrolled, may also enroll at that time. Other children may not enroll at that time unless they qualify under another of these circumstances listed above. Application must be made within 31 days of the birth or date of adoption or placement for adoption.
5. You meet or exceed a lifetime limit on all benefits under another health plan. Application must be made within 31 days of the date a claim or a portion of a claim is denied due to your meeting or exceeding the lifetime limit on all benefits under the other plan.
6. You become eligible for assistance, with respect to the cost of coverage under the employer's group plan, under a state Medicaid or SCHIP health plan, including any waiver or demonstration project conducted under or in relation to these plans. You must properly file an application with the Group within 60 days after the date you are determined to be eligible for this assistance.
7. You are an employee who is a reservist as defined by state or federal law, who terminated coverage as a result of being ordered to military service as defined under state or federal law, and apply for reinstatement of coverage following reemployment with your employer. Your coverage will be reinstated without any waiting period. The coverage of any Dependents whose coverage was also terminated will also be reinstated. For Dependents, this applies only to Dependents who were covered under the Plan and whose coverage terminated when the employee's coverage terminated. Other Dependents who were not covered may not enroll at this time unless they qualify under another of the circumstances listed above.

Effective date of coverage. For enrollments during a special enrollment period as described above, coverage will be effective on the first day of the month following the date you file the enrollment application, except as specified below:

1. If a court has ordered that coverage be provided for a dependent child, coverage will become effective for that child on the earlier of (a) the first day of the month following the date you file the enrollment application or (b) within 30 days after we receive a copy of the court order or of a request from the district attorney, either parent or the person having custody of the child, the employer, or the Group administrator.
2. For enrollments following the birth, adoption, or placement for adoption of a child, coverage will be effective as of the date of birth, adoption, or placement for adoption.
3. For reservists and their dependents applying for reinstatement of coverage following reemployment with the employer, coverage will be effective as of the date of reemployment.

OPEN ENROLLMENT PERIOD

The group has an open enrollment period annually. During that time, an individual who meets the eligibility requirements as a subscriber under this plan may enroll. A Subscriber may also enroll any eligible family members at that time. Persons eligible to enroll as family members may enroll only under the Subscriber's plan.

For anyone so enrolling, coverage under this plan will begin on the first day of the month following the end of the Open Enrollment Period. Coverage under the former plan ends when coverage under this Plan begins.

TERMINATION AND CONTINUATION

Except as otherwise provided, your coverage may terminate in the following situations. The information provided below is general and the actual effective date of termination may vary based on your Group's agreement with Us and your specific circumstances, such as whether Premium has been paid in full.

Termination of Coverage

Your coverage and that of your eligible Dependents ceases on the earliest of the following dates:

- a) The end of the month in which (1) you cease to be eligible; (2) your Dependent is no longer eligible as a Dependent under the Certificate.
- b) On the date the Certificate is terminated.
- c) On the date the Group terminates the Certificate by failure to pay the Premiums, except as a result of inadvertent error.
- d) The date contribution for coverage under the Certificate is not made when due.

For extended eligibility, see Continuation of Coverage.

Continuation of Coverage (COBRA)

Dental benefits may be continued should any of the following events occur, provided that at the time of occurrence this Certificate remains in effect and you or your spouse or your Dependent child is a Member under this Certificate:

QUALIFYING EVENT	WHO MAY CONTINUE	MAXIMUM CONTINUATION PERIOD
Employment ends, retirement, leave of absence, lay-off, or employee becomes ineligible (except gross misconduct dismissal)	Subscriber and Dependents	Earliest of: 1. 18 months, or 2. Enrollment in other group coverage or Medicare, or 3. Date coverage would otherwise end.
Divorce, marriage dissolution, or legal separation	Former spouse and any Dependent children who lose coverage	Earliest of: 1. 36 months, or 2. Enrollment date in other group coverage or Medicare, or 3. Date coverage would otherwise end.
Death of Subscriber	Surviving spouse and Dependent children	Earliest of: 1. 36 months, or 2. Enrollment date in other group coverage or Medicare, or 3. Date coverage would otherwise end.
Dependent child loses eligibility	Dependent child	Earliest of: 1. 36 months, or 2. Enrollment date in other group coverage or Medicare, or 3. Date coverage would otherwise end.

Dependents lose eligibility due to Subscriber's entitlement to Medicare	Spouse and Dependents	Earliest of: 1. 36 months, or 2. Enrollment date in other group coverage or Medicare, or 3. Date coverage would otherwise end.
Subscriber's total disability	Subscriber and Dependents	Earliest of: 1. 29 months, or 2. Date total disability ends, or 3. Enrollment date in other group coverage or Medicare.
Retirees of employer filing Chapter 11 bankruptcy (includes substantial reduction in coverage within 1 year of filing)	Retiree and Dependents	Earliest of: 1. Enrollment date in other group coverage, or 2. Death of retiree or Dependent electing COBRA.
Surviving Dependents of retiree on lifetime continuation due to the bankruptcy of the employer	Surviving spouse and Dependents	Earliest of: 1. 36 months following retiree's death, or 2. Enrollment date in other group coverage.

You or your eligible Dependents have 60 days from the date you lose coverage, due to one of the events described above, to inform the Group that you wish to continue coverage; except that, in the case of death of an eligible employee, divorce, legal separation, an employee's eligibility for Medicare or a dependent child ceasing to meet eligibility requirements, such notification period to continue coverage shall be 90 days.

1. Choosing Continuation

If you lose coverage, your employer must notify you of the option to continue coverage within 14 days after employment ends. If coverage for your Dependent ends because of divorce, legal separation, or any other change in Dependent status, you or your covered Dependents must notify your employer within 60 days.

You or your covered Dependents must choose to continue coverage by notifying the employer in writing. You or your covered Dependents have 60 days to choose to continue, starting with the date of the notice of continuation or the date coverage ended, whichever is later. Failure to choose continuation within the required time period will make you or your covered Dependents ineligible to choose continuation at a later date. You or your covered Dependents have 45 days from the date of choosing continuation to pay the first continuation charges. After this initial grace period, you or your covered Dependents must pay charges monthly in advance to the employer to maintain coverage in force.

Charges for continuation are the group rate plus a two percent administration fee. All charges are paid directly to your employer. If you or your covered Dependents are totally disabled, charges for continuation are the group rate plus a two percent administration fee for the first 18 months. For months 19 through 29, the employer may charge the group rate plus a 50 percent administration fee.

2. Second qualifying event

If a second qualifying event occurs during continuation, a Dependent qualified beneficiary may be entitled to election rights of their own and an extended continuation period. This rule only applies when the initial qualifying event for continuation is the employee's termination of employment, retirement, leave of absence, layoff, or reduction of hours.

When a second qualifying event occurs such as the death of the former covered employee, the Dependent must notify the employer of the second event within 60 days after it occurs in order to continue coverage. In no event will the first and second period of continuation extend beyond the earlier of the date coverage would otherwise terminate or 36 months.

A qualified beneficiary is any individual covered under the health plan the day before the qualified event as well as a child who is born or placed for adoption with the covered employee during the period of continuation coverage.

3. Terminating Continuation of Coverage - COBRA

Continuation of Coverage - COBRA for you and your eligible Dependents, if selected, shall terminate on the last day of the month in which any of the following events first occur:

- a) The expiration of the specified period of time for which Continuation of Coverage - COBRA can be maintained; as mandated by applicable State or Federal law;
- b) This Certificate is terminated by the Group Subscriber;
- c) The Group Subscriber's or Member's failure to make the payment for the Member's Continuation of Coverage

Questions regarding Continuation of Coverage - COBRA should be directed to your employer. Your employer will explain the regulations, qualifications and procedures required when you continue coverage.

DENTAL PROVIDERS AND CLAIMS PAYMENT

You do not have to select a particular Dentist to receive dental benefits. You have the freedom to choose the Dentist you want for your dental care. However, your Dentist choice can make a difference in the benefits you receive and the amount you pay. You may have additional out-of-pocket costs if your Dentist is a Non-Participating Dentist. There may be differences in the payment amount compared with a Participating Dentist if your Dentist is a Non-Participating Dentist.

PAYMENTS ARE MADE BY ANTHEM ONLY WHEN THE COVERED DENTAL PROCEDURES HAVE BEEN COMPLETED. THE PLAN MAY REQUIRE ADDITIONAL INFORMATION FROM YOU OR YOUR PROVIDER BEFORE A CLAIM CAN BE CONSIDERED COMPLETE AND READY FOR PROCESSING. IN ORDER TO PROPERLY PROCESS A CLAIM, THE PLAN MAY BE REQUIRED TO ADD AN ADMINISTRATIVE POLICY LINE TO THE CLAIM. DUPLICATE CLAIMS PREVIOUSLY PROCESSED WILL BE DENIED.

Requests for information is subject to all applicable California confidentiality requirements, including California laws that prohibit use of HIV and or AIDS/ARC status for purposes of determining insurability.

This section describes how We determine the amount of reimbursement for Covered Services. Reimbursement for Dental Services rendered by Participating and Non-Participating Dentists is based on the Maximum Allowed Amount for the type of service performed. There may be different levels of reimbursement for the Maximum Allowed Amount depending upon whether you elect to receive services from a Participating or a Non-Participating Dentist.

The Maximum Allowed Amount is the maximum amount of reimbursement Anthem will pay for Dental Services provided by a Dentist to a Member and which meet Our definition of a Covered Service.

You will be required to pay a portion of the Maximum Allowed Amount to the extent you have not met your Deductible or have a Coinsurance. In addition, when you receive Covered Services from a Non-Participating Dentist, you may be responsible for paying any difference between the Maximum Allowed Amount and the Dentist's actual charges. This amount may be significant.

When you receive Covered Services from a Dentist, We will apply processing rules to the claim submitted for those Covered Services. These rules evaluate the claim information and determine whether the provider submitted the claim with the correct dental procedure code(s). Applying these rules may affect the Maximum Allowed Amount. For example, your Dentist may have submitted the claim using several procedure codes when there is a single procedure code that includes all or a combination of the procedures that were performed. When this occurs, Our payment will be based on a single Maximum Allowed Amount for the single procedure code rather than a separate Maximum Allowed Amount for each billed procedure amount.

Likewise, when multiple procedures are performed on the same day by the same dental Provider or other dental Providers, We may reduce the Maximum Allowed Amount for those additional procedures, because reimbursement at 100% of the Maximum Allowed Amount for those procedures would represent a duplicate payment for a Dental Procedure that may be considered incidental or inclusive.

IMPORTANT: If you opt to receive dental services that are not covered services under this policy, a participating dental provider may charge you his or her usual and customary rate for those services. Prior to providing a patient with dental services that are not a covered benefit, the dentist should provide to the patient a treatment plan that includes each anticipated service to be provided and the estimated cost for each service. If you would like more information about dental coverage options, you may call member services at (877) 567-1804 or your insurance broker. To fully understand your coverage, you may wish to carefully review this evidence of coverage document.

PROVIDER NETWORK STATUS

The Maximum Allowed Amount may vary depending upon whether the Provider is a Participating Dentist or a Non-Participating Dentist. There may be different levels of reimbursement for the Maximum Allowed Amount depending upon whether you elect to receive services from a Participating Dentist or a Non-Participating Dentist.

Participating Dentists

A Participating Dentist is a Dentist who has signed a written provider service agreement agreeing to service the program identified in this Certificate. For Covered Services performed by a Participating Dentist, the Maximum Allowed Amount is the rate the Dentist has agreed to accept as reimbursement for Covered Services or the Dentist's actual charges, whichever is less. Because Participating Dentists have agreed to accept the Maximum Allowed Amount as payment in full for services, they should not send you a bill or collect for amounts above the agreed upon Maximum Allowed Amount. However, you may receive a bill or be asked to pay a portion of the Maximum Allowed Amount to the extent you have exhausted your coverage for the service, have not met your Deductible, have a Coinsurance, have received non-covered services, or have exceeded the dental benefit maximum as outlined in the Summary of Benefits. Please call Our Customer Service Department at (877) 567-1804 for help in finding a Participating Dentist or visit Our website at www.anthem.com/ca/mydental.

Non-Participating Dentists

Dentists who have NOT signed a written provider service agreement agreeing to service the program identified in this Certificate are considered Non-Participating Dentists. For Covered Services you receive from a Non-Participating Dentist, the Maximum Allowed Amount will be the lesser of the Dentist's actual charges or an amount based on Our Non-Participating provider fee schedule/rate, which We reserve the right to modify from time to time, after considering one or more of the following: record fee data, reimbursement amounts accepted by like/similar providers contracted with Anthem, reimbursement amounts accepted by like/similar providers for the same services or supplies, or other industry cost, reimbursement and utilization data.

Unlike Participating Dentists, Non-Participating Dentists may send you a bill and collect for the amount of the Dentist's charge that exceeds Our Maximum Allowed Amount. You are responsible for paying the difference between the Maximum Allowed Amount and the amount the Non-Participating Dentist charges. This amount may be significant. Choosing a Participating Dentist will likely result in lower out of pocket costs to you. Please call Customer Service Department at (877) 567-1804 for help in finding a Participating Dentist or visit Our website at www.anthem.com/ca/mydental.

Customer Service is also available to assist you in determining the Maximum Allowed Amount for a particular service from a Non-Participating Dentist. In order for Us to assist you, you will need to obtain the specific procedure code(s) from your Dentist for the services the Dentist will render. You will also need to know the Dentist's charges to calculate your out of pocket responsibility. Although Customer Service can assist you with this pre-service information, the Maximum Allowed Amount for your claim will be based on the actual claim submitted.

MEMBER COST SHARE

For certain Covered Services and depending on your dental program, you may be required to pay a part of the Maximum Allowed Amount (for example, Deductible and/or Coinsurance). Your Deductible and Coinsurance cost share amount and out-of-pocket limits may vary depending on whether you received services from a Participating or Non-Participating Dentist. Specifically, you may pay higher cost sharing amounts or incur benefit limits when using Non-Participating Dentists. Please see the Summary of Benefits in this Certificate for your cost share responsibilities and limitations, or call Customer Service to learn how this Certificate's benefits or cost share amounts may vary by the type of Dentist you use.

Payment of Benefits

We will make payments directly to Participating Dentists for Covered Services. We also reserve the right to make payments directly to you. Payments may also be made to, and notice regarding the receipt and/or adjudication of claims, an Alternate Recipient, or that person's custodial parent or designated representative. Any payments made by Us will discharge Our obligation to pay for Covered Services. You cannot assign your right to receive payment to anyone else, except as required by a "Qualified Medical Child Support order" as defined by ERISA or any applicable state law.

Once a Provider gives a Covered Service, We will not honor a request for Us to withhold payment of the claims submitted.

THE MEMBER IS RESPONSIBLE FOR ALL TREATMENT CHARGES MADE BY A NON-PARTICIPATING DENTIST. WHEN SERVICES ARE OBTAINED FROM A NON-PARTICIPATING DENTIST, ANY BENEFITS PAYABLE UNDER THE GROUP CONTRACT ARE PAID DIRECTLY TO THE MEMBER.

Notice of Claim

We are not liable under the Certificate, unless We receive written notice that Covered Services have been given to you. An expense is considered incurred on the date the service or supply was given.

The notice must be given to Us within 20 days of receiving the Covered Services. Failure to give Us notice within 20 days will not reduce any benefit if you show that the notice was given as soon as reasonably possible. Notice given by or on behalf of the insured or the beneficiary to Anthem at P.O. Box 1115, Minneapolis, Minnesota 55440-1115, or to any authorized agent of Anthem, with information sufficient to identify the insured, shall be deemed notice to Anthem.

Any benefits due under this Certificate shall be due once We have received proper, written proof of claim, together with such reasonably necessary additional information We may require to determine Our obligation. In the event We do not pay a claim within 30 days of receipt of proof of claim, We will pay interest at the rate required by law on the benefits due under the terms of the Certificate.

Claim Forms

Many Providers will file a claim form for you. If the forms are not available, send Us a notice of claim or contact customer service and ask for claim forms to be sent to you. The form will be sent to you within 15 days. After We receive a written notice of claim, We will give you any forms you need to file proof of claim. If We do not give you these forms within 15 days after you have filed your notice of claim, you will not have to use these forms, and you may file proof of claim by sending Us written proof of the occurrence, character, and the extent giving rise to the claim. Such proof must include:

- Name of patient
- Patient's relationship with the Subscriber
- Identification number
- Date, type and place of service
- Your signature and the Provider's signature

Claims should be submitted to:

Anthem Blue Cross Life and Health Insurance Company
PO Box 1115
Minneapolis, MN 55440-1115
(877) 567-1804

Proof of Claim

Written proof of claim must be submitted to Us within 12 months after the date of the event for which claim is made. If proof of claim is not sent within the time required, the claim will not be reduced or denied if it was not possible to send proof within this time. However, the proof must be sent as soon as reasonably possible. In any case, the proof required must be sent to Us no later than one year following the 12 month period specified, unless you were legally incapacitated.

Time of Payment of Claim

Any benefits due under this Certificate shall be paid immediately once We receive written proof of claim together with any information necessary to determine Our obligation. Should loss of life occur, We will pay benefits to your designated beneficiary. If you have no designated beneficiary, We will pay benefits to your estate.

Explanation of Benefits

After you receive dental care, you will often receive an Explanation of Benefits (EOB). The EOB is a summary of the coverage you receive. The EOB is not a bill, but a statement from Us to help you understand the coverage you are receiving. The EOB shows:

- total amounts charged for services/supplies received;
- the amount of the charges satisfied by your coverage;
- the amount for which you are responsible (if any);
- general information about your Appeals rights and for ERISA plans, information regarding the right to bring an action after the Appeals process.

Provider Directories

If you need a provider directory to choose a provider who participates in your Plan's network, there are two ways to obtain one:

- Visit our website at www.anthem.com/ca or
- Call Member Services Department at 800-627-0004

Please note that we have several networks and that a provider who participates for one plan may not participate for another. Be sure to check your Identification Card or call Member Services to find out which network this Plan uses.

Timely Access to Care

Anthem has contracted with participating dentists to provide covered services in a manner appropriate for your condition, consistent with good professional practice. Anthem ensures that its network of participating dentists have the capacity and availability to offer appointments within the following timeframes:

Urgent care appointments: within 72 hours of the request for an appointment;

Non-urgent appointments for primary care: within 36 business days of the request for an appointment; and

Preventive dental care appointments: within 40 business days of the request for an appointment.

If a participating dentist determines that the waiting time for an appointment can be extended without a detrimental impact on Your health, the participating dentist may schedule an appointment for a later time than noted above.

Participating dentists are required to have an answering service or a telephone answering machine during non-business hours, which will provide instructions on how you can obtain urgent or emergency care including, when applicable, how to contact another dentist who has agreed to be on-call to triage or screen by phone, or if needed, deliver urgent or emergency care.

If you need the services of an interpreter, the services will be coordinated with scheduled appointments and will not result in a delay of your appointment. There are no costs to you for the services of an interpreter.

COVERED SERVICES

Pretreatment Estimate (Estimate of Benefits)

IT IS RECOMMENDED, BUT NOT REQUIRED, THAT A PRETREATMENT ESTIMATE BE SUBMITTED TO ANTHEM PRIOR TO TREATMENT IF YOUR DENTAL TREATMENT INVOLVES MAJOR RESTORATIVE, PERIODONTICS, PROSTHETICS OR ORTHODONTIC CARE (SEE DESCRIPTION OF COVERAGES), TO ESTIMATE THE MAXIMUM ALLOWED AMOUNT. THE PRETREATMENT ESTIMATE IS A VALUABLE TOOL FOR BOTH THE DENTIST AND YOU. SUBMITTING A PRETREATMENT ESTIMATE ALLOWS THE DENTIST AND YOU TO KNOW WHAT BENEFITS ARE AVAILABLE TO YOU BEFORE BEGINNING TREATMENT. THE PRETREATMENT ESTIMATE WILL OUTLINE YOUR RESPONSIBILITY TO THE DENTIST WITH REGARD TO COINSURANCE, DEDUCTIBLES AND NON-COVERED SERVICES. THIS WILL ALLOW THE DENTIST AND YOU TO MAKE ANY NECESSARY FINANCIAL ARRANGEMENTS BEFORE TREATMENT BEGINS. THIS PROCESS DOES NOT PRIOR AUTHORIZE THE TREATMENT NOR DETERMINE ITS DENTAL OR MEDICAL NECESSITY. THE ESTIMATED MAXIMUM ALLOWED AMOUNT IS BASED ON YOUR CURRENT ELIGIBILITY AND CONTRACT BENEFITS IN EFFECT AT THE TIME OF THE COMPLETED SERVICE. SUBMISSION OF OTHER CLAIMS OR CHANGES IN ELIGIBILITY OR THE CONTRACT MAY ALTER FINAL PAYMENT. THIS IS NOT A GUARANTEE OF BENEFITS.

After the examination, your Dentist will establish the dental treatment to be performed. If the dental treatment necessary involves major restorative, periodontics, prosthetics or orthodontic care, you should submit a claim form to Anthem outlining the proposed treatment. Anthem will determine if the proposed treatment is covered and estimate the Maximum Allowed Amount, including your responsibility for Coinsurance, Deductibles and non-covered services.

A statement will be sent to you and your Dentist estimating the amount of the Maximum Allowed Amount, including the amount that you will owe. These estimates will be subject to your continuing eligibility and the Group Contract remaining in effect. If claims for other completed Dental Services are received and processed prior to the completion date of the proposed treatment, this may reduce Anthem's estimated Maximum Allowed Amount for the proposed treatment and increase your obligation to the Dentist.

TO AVOID ANY MISUNDERSTANDING OF THE MAXIMUM ALLOWED AMOUNT OR THE AMOUNT THAT YOU WILL OWE, ASK YOUR DENTIST ABOUT HIS OR HER PARTICIPATION STATUS AND IF HE OR SHE HAS AGREED TO SERVICE THIS DENTAL PROGRAM PRIOR TO RECEIVING DENTAL CARE.

You will be responsible for payment of any Deductibles and Coinsurance amounts and any dental treatment that is not considered a Covered Service under your Certificate.

The Plan covers the following Dental Procedures when they are performed by a licensed Dentist and when necessary and customary as determined by the standards of generally accepted dental practice. The benefits under this Certificate shall be provided whether the Dental Procedures are performed by a duly licensed physician or a duly licensed Dentist, if otherwise covered under this Certificate, provided that such Dental Procedures can be lawfully performed within the scope of a duly licensed Dentist.

As a condition precedent to the approval of claim payments, the Plan shall be entitled to request and receive, to such extent as may be lawful, from any attending or examining Dentist, or from hospitals in which a Dentist's care is provided, such information and records relating to a Member as may be required to pay claims. Also, the Plan may require that a Member be examined by a dental consultant retained by Anthem in or near the Member's place of residence. Anthem and the Plan shall hold such information and records confidential.

Anthem does not determine whether a service submitted for payment or benefit under this Certificate is the appropriate Dental Procedure to treat a specific condition or restore dentition for an individual. The Plan evaluates Dental Procedures submitted to determine if the procedure is a covered benefit. Your coverage includes a preset schedule of Dental Services that are eligible for benefit by Anthem. Other Dental Services may be recommended or prescribed by your Dentist that offer you an enhanced cosmetic appearance, or are more frequent than covered by Anthem. While these services may be prescribed by your Dentist, they may not be a Dental Service that is benefited by Anthem or they may be a service where Anthem provides a payment allowance for a service that is considered to be optional treatment. If Anthem gives you a payment allowance for optional treatment that is covered, you may apply this Anthem payment to the service prescribed by your Dentist which you elected to receive. Services that are not covered by Anthem or exceed the frequency of plan benefits do not imply that the service is or is not necessary to treat your specific dental condition. You are responsible for Dental Services that are not covered or benefited by Anthem. The determination of services necessary to meet your individual dental needs is between you and your Dentist.

ONLY those services listed below are covered. Deductibles and Dental Benefit Maximums are listed under the Summary of Benefits. Covered Services are subject to the limitations within the Benefits, Exclusions and Limitations sections described below. For estimates of Covered Services, please see the "Pretreatment Estimate" section of this Certificate.

Limitations

- a) **Optional Treatment Plans:** in all cases in which there are alternative treatment plans carrying different costs, the decision as to which course of treatment to be followed shall be solely that of the Member and the Dentist; however, if more than one treatment plan would be considered for a dental condition, the benefits payable hereunder will be made only for the applicable percentage of the least costly, commonly performed course of treatment, with the balance of the treatment cost remaining the payment responsibility of the Member.
- b) **Reconstructive Surgery:** benefits shall be provided for reconstructive surgery when such Dental Procedure is incidental to or follows surgery resulting from injury, sickness or other diseases of the involved part, or when such Dental Procedure is performed on a covered Dependent child because of congenital disease or anomaly which has resulted in a functional defect as determined by the attending physician, however that such services are dental reconstructive surgical services.

- d) **Some procedures are an integral part of another completed service covered by the Certificate.** If the Dentist bills these procedures separately from the covered service, the Plan will disallow coverage for the separately billed procedures. You will then be responsible for any charge for the separately billed procedures and must pay your Dentist directly.

Optional Treatment Plans

In all cases in which there are alternative treatment plans carrying different costs, the decision as to which course of treatment to be followed shall be solely that of the Member and the Dentist; however, if more than one treatment plan would be considered for a dental condition, the benefits payable hereunder will be made only for the applicable percentage of the least costly, commonly performed course of treatment, with the balance of the treatment cost remaining the payment responsibility of the Member.

GENERAL PROVISIONS

Entire Contract; Changes

This policy, including the endorsements and the attached papers, if any, constitutes the entire contract of insurance. No change in this policy shall be valid until approved by an executive officer of the insurer and unless such approval be endorsed hereon or attached hereto. No agent has authority to change this policy or to waive any of its provisions.

Time Limit on Certain Defenses

After two years from the date of issue of this policy, no misstatements, except fraudulent misstatements, made by the applicant in the application for the policy shall be used to void the policy or to deny a claim for loss incurred or disability (as defined in the policy) commencing after the expiration of the two-year period.

Grace Period

A grace period of 31 days will be granted for the payment of each premium falling due after the first premium, during which grace period the policy shall continue in force (subject to the right of the insurer to cancel in accordance with the cancellation provision hereof).

Reinstatement

If any renewal premium be not paid within the time granted the insured for payment, a subsequent acceptance of premium by the insurer or by any agent duly authorized by the insurer to accept such premium, without requiring in connection therewith an application for reinstatement, shall reinstate the policy; provided, however that if the insurer or such agent requires an application for reinstatement and issues a conditional receipt for the premium tendered, the policy will be reinstated upon approval of such application by the insurer or, lacking such approval, upon the forty-fifth day following the date of such conditional receipt unless the insurer has previously notified the insured in writing of its disapproval of such application. The reinstated policy shall cover only loss resulting from such accidental injury as may be sustained after the date of reinstatement and loss due to such sickness as may begin more than 10 days after such date. In all other respects the insured and insurer shall have the same rights thereunder as they had under the policy immediately before the due date of the defaulted premium, subject to any provisions endorsed hereon or attached hereto in connection with the reinstatement. Any premium accepted in connection with the reinstatement shall be applied to a period for which premium has not been previously paid, but not to any period more than 60 days prior to the date of reinstatement.

Physical Examination and Autopsy

The insurer at its own expense shall have the right and opportunity to examine the person of the insured when and as often as it may reasonably require during the pendency of a claim hereunder and to make an autopsy in case of death where it is not forbidden by law.

Legal Actions

No action at law or in equity shall be brought to recover on this policy prior to the expiration of 60 days after written proof of claim has been furnished in accordance with the requirements of this policy. No such action shall be brought after the expiration of three years after the time written proof of claim is required to be furnished.

Change of Beneficiary

Unless the insured makes an irrevocable designation of beneficiary, the right to change of beneficiary is reserved to the insured and the consent of the beneficiary or beneficiaries shall not be requisite to surrender or assignment of this Certificate or to any change of beneficiary of beneficiaries, or to any other changes in this Certificate.

Workers' Compensation Insurance

The Certificate does not affect any requirement for coverage by workers' compensation insurance. It also does not replace that insurance.

Relationship of Parties (Plan - Participating Dentists)

The relationship between the Plan and Participating Dentists is an independent contractor relationship. Participating Dentists are not agents or employees of the Plan, nor is the Plan, or any employee of the Plan, an employee or agent of Participating Dentists.

The Plan shall not be responsible for any claim or demand on account of damages arising out of, or in any manner connected with, any injuries suffered by a Member while receiving care from any Participating Dentist or in any Participating Dentist's facilities.

Your Participating Dentist's agreement for providing Covered Services may include financial incentives or risk sharing relationships related to provision of services or referrals to other Providers, including Participating Dentists and Non-Participating Dentists. If you have questions regarding such incentives or risk sharing relationships, please contact your Provider or the Plan.

Not Liable for Provider Acts or Omissions

The Plan is not responsible for the actual care you receive from any person. This Certificate does not give anyone any claim, right, or cause of action against the Plan based on what a Provider of dental care, services or supplies, does or does not do.

Identification Card

Your Identification Card identifies the dental program in which you are enrolled. When you receive care from a Participating or Non-Participating Dentist, you must show your Identification Card. Possession of an Identification Card confers no right to services or other benefits under this Certificate. To be entitled to such services or benefits you must be a Member on whose behalf all applicable Premiums under this Certificate have been paid. If you receive services or other benefits to which you are not then entitled under the provisions of this Certificate you will be responsible for the actual cost of such services or benefits.

Circumstances Beyond the Control of the Plan

In the event of circumstances not within the control of the Plan, including but not limited to, a major disaster, epidemic, the complete or partial destruction of facilities, riot, civil insurrection, labor disputes not within the control of the Plan, disability of a significant part of a Participating Dentist's personnel or similar causes, or the rendering of dental care services provided under this Certificate is delayed or rendered impractical, the Plan shall make a good-faith effort to arrange for an alternative method of providing coverage. In such event, the Plan and Participating Dentists shall render dental care services provided under this Certificate insofar as practical, and according to their best judgment; but the Plan and Participating Dentists shall incur no liability or obligation for delay, or failure to provide or arrange for services if such failure or delay is caused by such an event.

Reinstatement of Coverage for Members of the Military

Members of the United States Military Reserve and National Guard who terminate coverage as a result of being ordered to active duty, may have their coverage reinstated without waiting periods or exclusions of coverage for preexisting conditions.

Continuation of Care After Termination of a Participating Dentist

Upon the termination of the contract or other agreement with any Participating Dentist, we shall be liable to pay the cost of Covered Services (other than any applicable deductible and coinsurance) rendered by that Participating Dentist to a Member who retains eligibility under this Certificate or by operation of law, and who is under the care of that Participating Dentist at the time of such termination, and that Participating Dentist shall continue to provide such services for treatment in progress to the Member in accordance with the terms of this Certificate, until the treatment in progress is completed, up to a maximum of 90 days unless reasonable and medically appropriate provision is made for the completion of treatment in progress by another Participating Dentist.

Coordination of Benefits

Special COB rules apply when you or members of your family have additional dental care coverage through other group dental plans, including:

- group insurance plans, including other Anthem plans;
- labor management trustee plans, union welfare plans, employer welfare plans, employer organization plans, or employee benefit organization plans; and
- coverage under any tax-supported or government program to the extent permitted by law.

All benefits provided under this agreement are subject to this provision. However, benefits will not be increased by this COB provision. This provision applies if the total payment under this agreement absent this provision and under any other contract is greater than the value of covered services.

Primary coverage and secondary coverage. When a member is also enrolled in another group dental plan, one coverage will pay benefits first (be primary) and the other will pay second (be secondary). The primary coverage will pay benefits first. The decision of which coverage will be primary or secondary is made using benefit determination rules.

When we provide secondary coverage, we first calculate the amount that would have been payable had we been primary. Then we coordinate benefits so that the combination of the primary plan's payment and our payment does not exceed the amount we would have paid had it been primary.

Definition of "other contract". Other contract means any arrangement providing dental care benefits or services through:

- group or blanket insurance coverage;
- group Anthem, health maintenance organization, and other prepayment coverage;
- coverage under labor management trustee plans, union welfare plans, employer organization plans, or employee benefit organization plans; and
- coverage under any tax supported or government program to the extent permitted by law.

If there is more than one other contract, this provision will apply separately to each. If another contract has a coordination of benefits provision that applies to only part of its services, the terms of this paragraph will be applied separately to that part and to any other part.

Anthem will not determine the existence of any other contract, or the amount of benefits payable under any other contract except this agreement. The payment of benefits under this agreement shall be affected by the benefits payable under other contracts only when Anthem is given information about other contracts.

If the rules of this agreement and the other contract both provide that this agreement is primary, then this agreement is primary. When Anthem determines that this agreement is secondary under the rules described below, benefits will be coordinated so that our payment plus the other contract's payment will not exceed Anthem *maximum allowed amount for covered services*.

Order of Benefit Determination Rules

1. Pediatric Dental Coordination of Benefits (COB). If pediatric dental Essential Health Benefits are included as part of the medical plan, the medical plan will be the primary coverage and any standalone dental plan will be secondary.
2. If you have two dental plans, the plan which includes pediatric dental Essential Health Benefits will be the primary coverage.
3. If neither of the above applies, the Order of Benefit Determination Rules below will determine coordination of benefits.
4. If you are covered under one plan as a primary insured and another plan as a dependent, the plan under which you are the primary insured will be the primary coverage.
5. As required by law, if you or a dependent also has coverage under Medicare, this plan will always be primary.
6. For children who are covered under both parents' contracts, the following will apply:
 - a. The contract of the parent whose birthday occurs earlier in the calendar year will be primary.
 - b. When parents are separated or divorced, the following special rules will apply:
 - i. If the parent with custody has not remarried, that parent's contract will be primary.
 - ii. If the parent with custody has remarried, that parent's contract will be primary and the stepparent's contract will be secondary. The benefits of the contract of the parent without custody will be determined last.
 - iii. The rules listed above may be changed by a court decree:
 - A court decree that orders one of the parents to be responsible for health care expenses will cause that parent's contract to be primary, but only if the entity providing the benefits in this case is notified of the court decree before applying benefits.
 - If the court decree does not state that one of the parents is responsible for health care expenses and both parents have joint custody, the contract of the parent whose birthday occurs earlier in the calendar year will be primary.
7. If the other contract includes the gender rule, then that rule will be used instead of the rules listed above. The gender rule states that the father's contract will be primary for the children.
8. If there are situations not covered above, then the contract that has been in effect the longest period of time (without interruption) will be primary. There is an exception to this rule. The contract that covers a working employee (or his dependent) will be primary. The contract of a laid-off employee, a retired employee, or a person on continuation of coverage options under federal or state law will be secondary.
9. If another contract has different rules from those listed above other than the gender rule, that contract will be primary.

If payments should have been made under this agreement under the rules of this provision, but they have been made under any other contract, Anthem may pay an entity (provider, other carrier, etc.) that has paid any amounts it determines will meet the intent of this provision. These amounts shall be deemed to be benefits paid under this agreement. Upon this payment, Anthem will no longer be liable under this agreement.

Relationship of Parties (Group-Member-Plan)

Neither the Group nor any Member is the agent or representative of the Plan.

The Group is fiduciary agent of the Member. The Plan's notice to the Group will constitute effective notice to the Member. It is the Group's duty to notify the Plan of eligibility data in a timely manner. The Plan is not responsible for payment of Covered Services of Members if the Group fails to provide the Plan with timely notification of Member enrollments or terminations.

Conformity with Law

Any provision of this Certificate which is in conflict with the laws of the state in which the Group Dental Contract is issued, or with federal law, is hereby automatically amended to conform with the minimum requirements of such laws.

Modifications

This Certificate allows the Group to make the Plan coverage available to eligible Members. However, this Certificate shall be subject to amendment, modification, and termination in accordance with any of its provisions, the Group Dental Contract, or by mutual agreement between the Plan and the Group without the permission or involvement of any Member. Changes will not be effective until 30 days after We provide written notice to the Group about the change. By accepting the Plan benefits, all Members who are legally capable of entering into a contract, and the legal representatives of all Members that are incapable of entering into a contract, agree to all terms, conditions, and provisions in this Certificate.

Right of Recovery

When the amount We paid exceeds Our liability under this Certificate, We have the right to recover the excess amount. This amount may be recovered from you, the person to whom payment was made or any other plan. The request for recovery must be made within 365 days of the initial payment.

CLAIM AND APPEAL PROCEDURES

All claims should be submitted within 12 months of the date of service. An initial benefit determination on your claim will be made within 30 days after receipt of your claim. You will receive written notification of this benefit determination. The 30-day period may be extended for an additional 15 days if the claim determination is delayed for reasons beyond Our control. In that case, We will notify you prior to the expiration of the initial 30-day period of the circumstances requiring an extension and the date by which We expect to render a decision. If the extension is necessary to obtain additional information from you, the notice will describe the specific information We need, and you will have 45 days from the receipt of the notice to provide the information. Without complete information, your claim will be denied.

Appeals

In the event that We deny a claim in whole or in part, you have a right to a full and fair review. Your request to review a claim must be in writing and submitted within 180 days from the claim denial. We will make a benefit determination within 60 days following receipt of your appeal.

Your appeal must include your name, your identification number, group number, claim number, and dentist's name as shown on the Explanation of Benefits. Send your appeal to:

Anthem Blue Cross Life and Health Insurance Company
Attention: Appeals Unit
PO Box 1115
Minneapolis, MN 55440-1115

You may submit written comments, documents, or other information in support of your appeal. You will also be provided, upon request and free of charge, reasonable access to and copies of all relevant records used in making the decision. The review will take into account all information regarding the denied or reduced claim (whether or not presented or available at the initial determination) and the initial determination will not be given any weight.

The review will be conducted by someone different from the original decision-makers and without deference to any prior decision. Because all benefit determinations are based on a preset schedule of Dental Services eligible under your plan, claims are not reviewed to determine dental necessity or appropriateness. In all cases where professional judgment is required to determine if a procedure is covered under your plan's schedule of benefits, We will consult with a dental professional who has appropriate training and experience. In such a case, this professional will not be the same individual whose advice was obtained in connection with the initial adverse benefit determination (nor a subordinate of any such individual). In addition, We will identify any dental professional whose advice was obtained on Our behalf, without regard to whether the advice was relied upon in making the benefit determination. If, after review, We continue to deny the claim, you will be notified in writing.

Authorized Representative

You may authorize another person to represent you and with whom you want Us to communicate regarding specific claims or an appeal. However, no authorization is required for your treating dentist to make a claim or appeal on your behalf. The authorization form must be in writing, signed by you, and include all the information required in Our Authorized Representative form. This form is available at Our web site or by calling Customer Service Department at (877) 567-1804. You can revoke the authorized representative at any time, and you can authorize only one person as your representative at a time.

BINDING ARBITRATION

ALL DISPUTES INCLUDING BUT NOT LIMITED TO DISPUTES RELATING TO THE DELIVERY OF SERVICES UNDER THE PLAN OR ANY OTHER ISSUES RELATED TO THE PLAN AND CLAIMS OF MEDICAL MALPRACTICE MUST BE RESOLVED BY BINDING ARBITRATION, IF THE AMOUNT IN DISPUTE EXCEEDS THE JURISDICTIONAL LIMIT OF SMALL CLAIMS COURT AND THE DISPUTE CAN BE SUBMITTED TO BINDING ARBITRATION UNDER APPLICABLE FEDERAL AND STATE LAW, INCLUDING BUT NOT LIMITED TO, THE PATIENT PROTECTION AND AFFORDABLE CARE ACT.

It is understood that any dispute including disputes relating to the delivery of services under the plan or any other issues related to the plan, including any dispute as to medical malpractice, that is as to whether any medical services rendered under this contract were unnecessary or unauthorized or were improperly, negligently or incompetently rendered, will be determined by submission to arbitration as provided by California law, and not by a lawsuit or resort to court process except as California law provides for judicial review of arbitration proceedings. Both parties to this contract, by entering into it, are giving up their constitutional right to have any such dispute decided in a court of law before a jury, and instead are accepting the use of arbitration.

YOU AND ANTHEM BLUE CROSS LIFE AND HEALTH INSURANCE COMPANY AGREE TO BE BOUND BY THIS ARBITRATION PROVISION AND ACKNOWLEDGE THAT THE RIGHT TO A JURY TRIAL OR TO PARTICIPATE IN A CLASS ACTION IS WAIVED FOR BOTH DISPUTES RELATING TO THE DELIVERY OF SERVICE UNDER THE PLAN OR ANY OTHER ISSUES RELATED TO THE PLAN AND MEDICAL MALPRACTICE CLAIMS.

The Federal Arbitration Act shall govern the interpretation and enforcement of all proceedings under this Binding Arbitration provision. To the extent that the Federal Arbitration Act is inapplicable, or is held not to require arbitration of a particular claim, state law governing agreements to arbitrate shall apply.

The arbitration findings will be final and binding except to the extent that state or federal law provides for the judicial review of arbitration proceedings.

The arbitration is initiated by the member making a written demand on Anthem Blue Cross Life and Health Insurance Company. The arbitration will be conducted by a single neutral arbitrator from Judicial Arbitration and Mediation Services ("JAMS"), according to JAMS' applicable Rules and Procedures. If for any reason JAMS is unavailable to conduct the arbitration, the arbitration will be conducted by a single neutral arbitrator from another neutral arbitration entity, by agreement of the Insured and Anthem Blue Cross Life and Health Insurance Company, or by order of the court, if the Insured and Anthem Blue Cross Life and Health Insurance Company cannot agree. If the parties cannot agree on the individual neutral arbitrator, the arbitrator will be selected in accordance with JAMS Rule 15 (or any successor rule).

The costs of the arbitration will be allocated per the JAMS Policy on Consumer Arbitrations. Unless you, and Anthem Blue Cross Life and Health Insurance Company agree otherwise, the arbitrator may not consolidate more than one person's claims, and may not otherwise preside over any form of a representative or class proceeding.

Please send all Binding Arbitration demands in writing to:

PO Box 551
Minneapolis, MN 55440-0551
